Plant 5x the number of trees
5,000,000 trees planted by 2030

Himalaya®
SINCE 1930

"**Wellness solutions from Himalaya draw inspiration from Ayurveda,** which emphasizes harmonious living with Nature. Our commitment to our core values remains strong. We will continue to operate our business with the highest ethical standards. Each person who comes in touch with Himalaya must be delighted with his or her experience. Nothing less is acceptable."

Meraj Manal
Chairman
Himalaya Global Holdings Ltd.

"Himalaya's relationship with Nature dates back to our inception. Hence, sustainability is in our DNA. We will continue to pursue regenerative agriculture, deploying progressive sustainable practices in sowing, cultivating, and harvesting our herbs. Our 2030 sustainability goals around paperboard and plastic recyclability are well within sight. We are committed to further reduce our carbon footprint while optimizing our energy consumption, water usage, and harnessing energy from renewable sources."

Shailendra Malhotra
Global CEO
Himalaya Global Holdings Ltd.
